This Patent Book K. 2577
IN FILLING this Scrap Book NEVER gum in papers, etc., close to binding. Leave at LEAST ONE-HALF INCH from back of leaf.
To get a better result after gumming the paper or picture on the leaves, STAND the book up on END, the leaves spread apart so that the air can flow through and dry. This will prevent MOULD, and the leaves will be less liable to wrinkle.

This Patent Book K. 2577
IN PASTING this Scrap Book NEVER gum in papers, etc., close to binding. Leave at LEAST ONE-HALF INCH from back of leaf.
To get a better result after gumming the paper or picture on the leaves, STAND the book up on END, the leaves spread apart so that the air can flow through and dry. This will prevent MOULD, and the leaves will be less liable to wrinkle.

Baxter found in Folsom. Received before Colby was arrested in San Jose.

Card No. 165 ✓

SAN JOSE, CAL., Oct. 25th, 1907.

To all Peace Officers:

I have under arrest one Frank Colby, ex-Folsom No. 4004, charged with horse stealing, and have evidence to ensure conviction. He was sent up from Sonoma County for robbery on a twelve year sentence, being discharged in September, 1904. I have been informed that he is the leader, or one of the leaders, of an organized band of horse thieves that has been operating in the central part of the State for some time, and which has been running off the horses that have been missed lately.

Colby denies this and says that he has been straight until the job that I got him on, and lays his going wrong to one Frank Baxter, another ex-Folsom, discharged about 1900. He describes him as about 5 ft. 9 or 10 in. tall; weighs about 145 to 150 lbs.; slender build; light complexion and light mustache; two upper front teeth out, one on each side; has a scar shape of toe of horseshoe on left cheek or left side of chin; is a great talker; drinks some. I am told that he generally has women with him; is well known to all the small horse dealers.

The officer who can get Baxter and make him tell what he knows will be able to clear up the disappearance of a great many horses. If necessary I can get a warrant on which to hold him.

I would ask every officer to look out for this man and arrest him on suspicion and "sweat" him, and to keep me posted on what information he can get out of him, and I will play him against Colby, and in this way I am quite sure that we can get what we are after.

Very sincerely yours,

Card No. 163. WANTED FOR FELONY.

The following is the best description that I have been able to get from several people who saw the men wanted, but no two really agree as to what the men looked like or what they were:----

No. 1. Height, 5 ft, 6 or 7 inches; weight, 170 to 180 pounds; full round face; short, reddish mustache; wore dark check suit, white shirt, four-in-hand tie, light soft hat, hand a little lighter.

No. 2. Height, 5 ft. 5 or 6 inches; weight, 155 to 165 pounds; long dark mustache; dark clothes; dark soft hat; dark hair; lighter in build than partner.

These men worked the old game of subtituting iron washers and paper for real money and hunooed their victim out of $600.00. So far, I have not been able to learn how they left San Jose nor in which direction they went. From all that I can learn, I am inclined to beleive they are part of the same gang that worked the same gang in Stockton some months ago, and for which B. Pomata was sent to San Quentin for eight years. After the Stockton job, and before they were arrested for that crime, the same men tried to work it again in this county and this led to their arrest for the work in Stockton. The same men, whom I want, may try to do the same trick again, so I wish all officers to keep a sharp ~~f~~ watch for the above men and arrest them if possible. If arrested, wire at my expense and I will send for them at once.

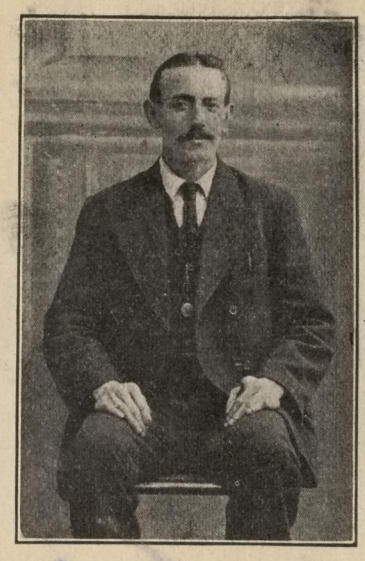
Arrest for Felony Embezzlement.



FRANK MADDO

Italian, born in Naples; about 28 years old; about 5 feet 6 inches tall; weighs about 145 pounds; medium complexion; smooth shaven; mustache recently shaved; index finger of left hand off at knuckle; makes great pretenses of being a chief engineer on a railroad, but think this is all false; do not think he is a locomotive engineer at all; has slight defect in one eye; claims to belong to the Eagles; wears gold watch, chain, and round locket, set with small diamonds; has worked at Loyalton, Sierra County, Cal.; has one or two gold-filled teeth.

About two weeks ago this man buncoed a servant girl out of $200 and her brother out of $500, under promise of marrying the girl, and disappeared. He left a young Italian woman, with whom he had been living and who thought she was his wife, utterly destitute and about to be confined. About the same time he married a German girl named Olga Kratt, and after a few days they left for parts unknown, although he had said he was going to Seattle or Spokane and was going to put the girl in a house of prostitution. She is described as being about five feet, three or four inches tall; medium build and complexion; brown hair; blue eyes; had a brown suit, a long gray ulster, and a very large trunk. She is about twenty-three years old. By watching the houses of prostitution, this man may be found through the girl. He is an all round bad man and is now suspected of other crimes here, so I trust all officers will keep a sharp watchout for him. If found, arrest and wire at my expense.

ARTHUR B. LANGFORD,
Sheriff Santa Clara County.

SHERIFF'S OFFICE, SAN JOSE, CAL., MARCH 28, 1909.

TO THE SCHOOL TRUSTEES OF SANTA CLARA COUNTY:-

GENTLEMEN:-

I desire to call your attention to the numerous reports of the burglarizing of the country school houses of this county that have come in to this office during the past three or four months. There have been about a half dozen school robbed since the first of the year, the articles taken being chlk, pens, books, pencils, knives, and such things as are used by the pupils in their work. We have worked hard to try to find who is doing this work, but so far with no result whatever. Nearly every country school house in Alameda County has been burglarized and the officers there have been also at a complete loss as to who did the work.

I would suggest that you take this matter up at once and try to make some arrangements for watching your school or making it as near burglar proof as possible. If you put a watch on your school, do not take it off until the burglar is caught.

Trusting that you will take some action in this matter, I beg to remain

Very respectfully yours,

_____,

Sheriff of Santa Clara County.

About 60 years old; about 5 feet, 9 or 10 inches tall; weighs 220 to 240 pounds; large waist measurement; very prominent blue eyes; erect carriage; gray hair, which he may bleach; smooth shaven when here, but may raise beard, which will be gray; has worn a close-clipped Van Dyke beard; light complexion; round, regular features, with double chin; wears 17 shirt and collar and 9½ shoe; face lights up when he smiles; very refined; has appearance of professional man, preacher or judge; fine teeth, and on right upper side looks as if one is out and teeth on each side of space have grown together; wears Derby and soft hat; wore light suit when here and always wore four-in-hand ties; has a solitaire ring set in a twisted gold ring; diamond is about 1¼ or 1½ carats.

This man usually rents a room in a private rooming-house and pretends to be a clairvoyant and palmist, by this means getting his victims to put up money and jewelry on bogus stock. He has operated all over the country and is wanted in many places. I am informed that he broke jail at Chemung Co., N. Y., Bridgeport, Conn., and jumped his bail at Greensboro, N. C.

If found, arrest and wire at my expense. I hold felony warrant.

FACES BURGLARY CHARGE

3/3-10

For Fifth Time Nathaniel Howe Finds Himself in Law's Meshes.

Nathaniel Howe was arrested last night by Detectives Wren, Dinan and Collins on a charge of burglary. He is accused of having broken into the house of W. F. Sterrett, 3096 California street, on the night of February 25th last, when he stole about $500 worth of jewelry and a seal-skin coat. Most of the loot was recovered from pawnshops. In 1886 Howe was sentenced to three years for assault with intent to rob, and in 1896 he received a ten-year term for robbery, but on appeal escaped through a legal technicality. These sentences were passed on him in Los Angeles. Howe then came to San Francisco. In 1897 he was sentenced to five years for burglary and in 1903 received a like term for a similar offence.

Arrested.

Card No. 234. ✓

SAN JOSE, CAL., July 1, 1909.

BURGLARY.

The home of W. E. Edwards was entered on the night of June 27, 1909, and the following articles stolen:

No 1.—Gold Cross, 1½ inches long; dent on front surface.

No. 2.—Lady's Gold Watch Chain, about one yard long, made of light, square, hollow links.

No. 3.—Lady's Ring, jasper, set with diamond on each side.

No. 4.—Breast Pin, crown crossed with a shepherd's crook.

The house was entered with keys, and suspicion points very strongly to an ex-convict in San Jose at the time of the burglary and who was here to do some such job, so I am informed This man has done time in this State under the names of Andrew McAllister and Nathaniel Howe, also known as "Nig" Howe on account of his very dark complexion.

FOLSOM DESCRIPTION:

Name, Nathaniel Howe; Number, 4253; discharged July 15, 1901; sent from San Francisco county for burglary; age, 28; plumber; 5 ft. 7½ in. tall; dark complexion; brown eyes; brown hair.

SAN QUENTIN DESCRIPTION:

Name, Andrew McAllister; Number, 12240, 13760, 19895; discharged July 23, 1906; sent from San Francisco county for burglary; age, 38 (in 1902); plumber; 5 ft. 8⅝ in. tall; dark complexion; black hair; scar left elbow; scar inside left hand; left little finger disfigured; tattoo left wrist, back left hand, and dots between left thumb and forefinger; weight 154 (weighs less now); foot 6; hat 7.

Was wearing black mustache when here last June.

The picture is a very good likeness. He is quite a drinker and spends money as if he had an unlimited supply, but all he has is what he gets from his victims; is a big talker in money and everything else.

I am informed that this man has worked his swindling schemes all over the world. While in this State, he gave lectures on wireless telegraphy and sold thousands of dollars worth of stock of the Marconi Wireless Telegraph Co., Ltd., of London, England, and which he failed to deliver. He was arrested by the New York City Police for this office April 30, 1909, gave bail, and disappeared about June 5th, after extradition had been granted by the Governor of New York. He claimed, while here, to be an agent of Robinson & Robinson and Monroe & Monroe, stock brokerage firms of New York City.

Card No. 276.

San Jose, Cal., Dec. 5, 1910.

To the Officers of California:

Sometime during Thanksgiving week an old Frenchman was murdered just outside the San Jose city limits, his body being found late Saturday afternoon of that week, and in such a condition as to show that he had been dead at least four days. So far, this office has not been able to find any clue as to who did the deed, and there seems to be an entire lack of motive. The victim was an old resident here, and we cannot learn that he had any money, except a dollar or two, or any enemies, so the robbery or revenge motives are almost precluded, unless he was killed and robbed of what little he had by tramps or "yegg-men."

We have learned that there was a gang of seven of the latter seen for several days around the neighborhood where the man was killed and in San Jose. They are a hard bunch, and had everyone around where they stopped afraid of them. The following is the best description I can get of them:

No. 1—About 45 years old; smooth shaven; short; very dark; badly crippled in knees and back, sometimes using a cane; gives name of George Curry; begs for the gang.

No. 2—Short and heavy set; dark; has silver tube in throat; gives name of Fitzgerald.

No. 3—Tall and slim; about 30 years old; smooth shaven; fair; seemed to be well acquainted here, but no one seems to know him; claims to have lived in San Jose at one time; name is O'Connell or Heckley.

No. 4—Young man; light: about 20 years old; wore a cap.

No. 5—Young man; light.

Nos. 6 & 7—Both young men; medium height and complexion.

All dressed pretty well; alcohol drinkers; use "Yegg" talk almost entirely.

From their conversation, I have learned that this gang spends a good deal of time around San Francisco, Sacramento, and makes headquarters in a Salvation Army or church lodging house near Chinatown in Oakland.

The last I can learn of the murdered man being seen alive was Tuesday, p. m., Nov. 22nd, and that evening this gang was around town, very much excited and looking for each other, having become separated and they all left San Jose sometime Wednesday. Even if none of them committed this murder, they seem to be a hard gang and should be watched, so I respectfully ask all officers to look out for them and ask their help in trying to learn if any of them had a hand in the killing of the old man.

Thanking you for your assisstance, I am

Very truly yours,
